**ORDER DENYING REQUEST**

13 v.

14 **DIRECTOR OF CALIFORNIA DEPARTMENT**  
15 **OF CORRECTIONS, et al.,**

16 Defendants.  
17

18 By Order filed on March 22, 2006, this court granted defendant a 60-day extension of  
19 time to file a motion for summary judgment. Instead of doing so in this 2004 case, to which  
20 defendant had filed an answer on September 21, 2005, defendant now seeks a further 60-day  
21 extension to serve and file *either* a motion for summary judgment or a motion to revoke  
22 plaintiff's *in forma pauperis* status. This litigation is at far too late a stage for the court to  
23 consider a motion to revoke plaintiff's *in forma pauperis* status. As to a further extension of time  
24 to file and serve a motion for summary judgment, this court finds that defendant has not shown  
25 cause sufficient to justify an additional extension of time.

1           Accordingly, IT IS ORDERED that defendants' May 16, 2006 motion for a further  
2 extension of time to file a summary judgment motion or motion to revoke plaintiff's in forma  
3 pauperis status is DENIED.
